

CLASSE365

SCHOOL MANAGEMENT SYSTEM

WHAT IS CLASSE365?

Classe365 is a web based Education Institution Management System that enables schools to manage entire organisation through the power and benefits of Cloud technology.

Classe365 was created with a vision of a Smart Education Solution. We

believe that there needs to be a better way for institutions to help manage themselves, provide full control and visibility, and finally lead their students to a brighter life.

Reduced Costs and Pays for Itself
Less administrative overheads. On average institutions save \$48,000 over three years using Classe365 as their Education Management System.

Increase Revenue
Its just not a software, it's a revenue generator with modules like School E-Commerce and online fees & donations management there is no ways to generate revenue.

Increased School Credibility
Leading education innovation is not just a luxury but a necessity for institutions to gear up their students to today's real-world challenges.
